### **Accelerated Bachelor of Science in Nursing (ABS/N) Program**

In addition to this packet, ABS/N Program information can be found through the University of Bridgeport website:  
<https://www.bridgeport.edu/academics/programs/absn/>.

The ABS/N Program is designed to prepare a graduate nurse for entry-level practice in a variety of healthcare settings, to provide the foundation for graduate education and/or continued education as a life-long learner, and to contribute to quality patient outcomes.

#### **University of Bridgeport School of Nursing Mission:**

The mission of the University of Bridgeport School of Nursing (UBSN) is congruent with the mission of the University of Bridgeport. The mission of the School of Nursing is to provide innovative, evidence-based healthcare education that prepares a professional nurse to provide person-centered care that incorporates professional values of caring, excellence, integrity and diversity in the delivery of safe, quality healthcare and advancement of the profession within a global society.

#### **Program Highlights:**

- Apply the nursing process to provide patient-centered, evidence-based, clinically competent, contemporary professional nursing care.
- Promote healthy lifestyles through health education, health promotion strategies and population-focused interventions.
- Comprehend system-based practice and its impact on safe, quality patient care within the scope of professional nursing practice.
- Practice within the values, ethics, and legal standards of professional nursing.

#### **Program Structure:**

The University of Bridgeport School of Nursing (UBSN), Accelerated Bachelor of Science in Nursing (ABS/N) program is designed for those students who hold a bachelor's degree in another field other than nursing. This accelerated track incorporates the previous non-nursing bachelor's level course education and experience and allows the student to earn a BSN degree in fifteen months.

#### **Clinical Experience and Education**

ABS/N students begin clinical experiences in the second semester. Clinical sites vary depending on course objectives and content. Sites include local hospitals, such as Bridgeport Hospital, schools, medical offices, and more. Clinical hours include laboratory and simulation experiences in all nursing clinical courses.

#### **Graduation Requirements and Outcome**

In order to graduate from the ABS/N program, students must complete 64 credits in general education and 56 credits in nursing, totaling 120 credits. Along with a solid foundation in nursing, graduates of the program will be eligible to sit for the National Council Licensure Examination (NCLEX-RN® Exam).

## University of Bridgeport School of Nursing Frequently Asked Questions

### **What are you looking for from applicants to the School of Nursing?**

Admission to the School of Nursing is highly competitive and selective. Our faculty are involved in the process from the very beginning. We are looking for students who have developed an interest in healthcare as a career and who have an interest in the type of curriculum we are offering. The review committee, comprised of faculty from the School of Nursing and the Office of Admissions, will review applications. Interviews are not required, but may be requested on a case-by-case basis.

The review committee considers all aspects of the application. We are looking for motivated individuals who have taken their academic preparation seriously. An applicant's motivation for a career as a Nurse is very important in our selection process. Due to the competitive nature of the program, most successful candidates will have met more than just minimum requirements. For further information regarding the application process to the School of Nursing, please visit [www.bridgeport.edu/nursing](http://www.bridgeport.edu/nursing).

### **How many students are accepted into the ABSN Program?**

Each session, a total of 30 ABSN students are accepted into the School of Nursing.

### **When should I apply? Is there an application deadline?**

There are a limited number of seats for the ABSN program. Students are encouraged to submit their application and materials as early as possible to be considered for the incoming class. Once the program is filled, your application can be considered for the next incoming class. Applications are considered complete once all documents, as listed above, are received. **Priority deadline for application is October 1 for the January start and January 20 for May the start.**

### **How can I assess my eligibility for admission?**

All candidates are eligible to apply to the ABSN program. Eligibility for admission will only be assessed by the UB School of Nursing using the documents contained in this guide. Candidates may apply while prerequisite coursework is in-progress, as long as the progression of prerequisite coursework will allow completion of all prerequisites prior to the start of the ABSN program.

### **Do you offer a Licensed Practical Nurse (LPN) to Registered Nurse (RN) bridge program?**

We do not offer an LPN to RN bridge program. However, LPNs are encouraged to apply to the Accelerated Bachelor of Science in Nursing if they have a bachelor's degree in another area. LPNs will be reviewed according to all transfer standards as listed in the ABSN Admissions page linked above. Transfer credit may be awarded for general education coursework that meets basic transfer criteria, and will be evaluated on a case-by-case basis. However, credit will not be awarded for practical nursing coursework or experience.

### **Is experience in the healthcare field required for admission to the School of Nursing?**

While experience is not required, applicants to the School of Nursing may find it beneficial to volunteer within the healthcare field. Additionally, Accelerated Bachelor of Science in Nursing candidates may receive further admissions consideration based on relevant work and volunteer experience within healthcare.

### **Is the Accelerated Bachelor of Science in Nursing Program offered entirely online, in the evening, or on weekends?**

Courses within the curriculum of the ABSN Program are generally available Monday through Friday between the hours of 8am and 5pm. Labs and clinical may be scheduled during evening hours. Additionally, students should expect to be enrolled on a full-time basis, meaning enrolled in 12 or more credit hours per semester. Important Note: In order to maintain scholarship eligibility, students must enter UB with full-time status, and maintain full-time status throughout the entirety of their enrollment with the University.

### **Can I tour campus and visit the Nursing Skills and Simulation Center site before being accepted?**

Yes, it is strongly encouraged that all prospective students tour campus. Candidates are strongly encouraged to attend an Open House or School of Nursing Information Session. To view upcoming ABSN and Admissions events, please visit [www.bridgeport.edu/events](http://www.bridgeport.edu/events).

## University of Bridgeport School of Nursing Frequently Asked Questions

### **Is there an entrance examination required for admission to the School of Nursing?**

The TEAS test is not required for admission to the ABSN.

### **Do you accept transfer students from other nursing programs?**

Each candidate will be reviewed on a case-by-case basis. To determine eligibility, all candidates must complete an application for admission to the Accelerated Bachelor of Science in Nursing (ABSN) program by the deadline to receive priority consideration.

### **When will I know if I am accepted or not?**

Accelerated Bachelor of Science in Nursing candidates must complete their full application process by November 1<sup>st</sup> or January 20<sup>th</sup>; applications received and completed after this date *will not* receive consideration. Review of completed applications will commence after these dates, and all decision letters will be issued via mail each year. At the discretion of the School of Nursing, students may be placed on a waitlist.

### **How long will it take me to complete the ABSN program?**

Students should expect to complete the curriculum in the ABSN program in 15 months. Candidates are encouraged to consult page 2 of this packet to view the program outline and course progression. Though the maximum number of transfer credits accepted into the ABSN is 64, the progression of clinical work is expected to take 4 full semesters. Due to the intensive Full-time expectations, it is not recommended that students work outside of their academic studies.

### **Are there scholarships available for the Accelerated Bachelor of Science in Nursing students?**

While there are no institutional scholarships available for the Accelerated Bachelor of Science in Nursing students, all candidates should complete their Free Application for Federal Student Aid (FAFSA) for additional financial aid opportunities and considerations. To start your FAFSA, please visit [www.studentaid.gov](http://www.studentaid.gov).

### **Will I be required to travel off campus to complete clinical hours if I am accepted into the ABSN Program?**

ABSN's affiliation with Bridgeport and Yale Hospital provides extensive clinical opportunities for students and are the School's primary sites for clinical experience. Additionally, a variety of outside clinical facilities are selected to provide students with a wide range of learning experiences in nursing. Personal transportation is required to travel to the off-campus clinical sites.

### **What is required of me once I am accepted?**

Once a student has been accepted and has committed, they will be required to submit UB Health and Immunization Records as well as CPR. It is the student's responsibility to complete and comply with all requirements and any costs associated with them. All required forms and accompanying information will be sent to students via mail and email. If accepted into the Accelerated Bachelor of Science in Nursing Program, additional requirements—which include annual physical, immunizations, background checks and drug testing—will be required. For additional acceptance questions, please email the ABSN Nursing Coordinator.

### **Is your Accelerated Bachelor of Science in Nursing Program licensed and accredited?**

The Bachelor of Science in Nursing program is approved by the Connecticut Board of Examiners for Nursing and licensed by the Connecticut Office of Higher Education. The Bachelor of Science in Nursing degree at the University of Bridgeport is accredited by the Commission on Collegiate Nursing Education (CCNE), 655 K Street NW, Suite 750, Washington, DC 20001, 202-887-6791.

### **What is the job placement/salary outlook for Nursing?**

The School of Nursing has a strong clinical outreach program. Student educational experiences are rich in both lecture content and clinical application of knowledge. Job placement and salary outlook have been outstanding in both a strong and weak economy. Increasingly, graduates of ABSN programs are the preferred candidates for employment. For further industry information, visit: <https://www.bls.gov/ooh/healthcare/registered-nurses.htm>.
